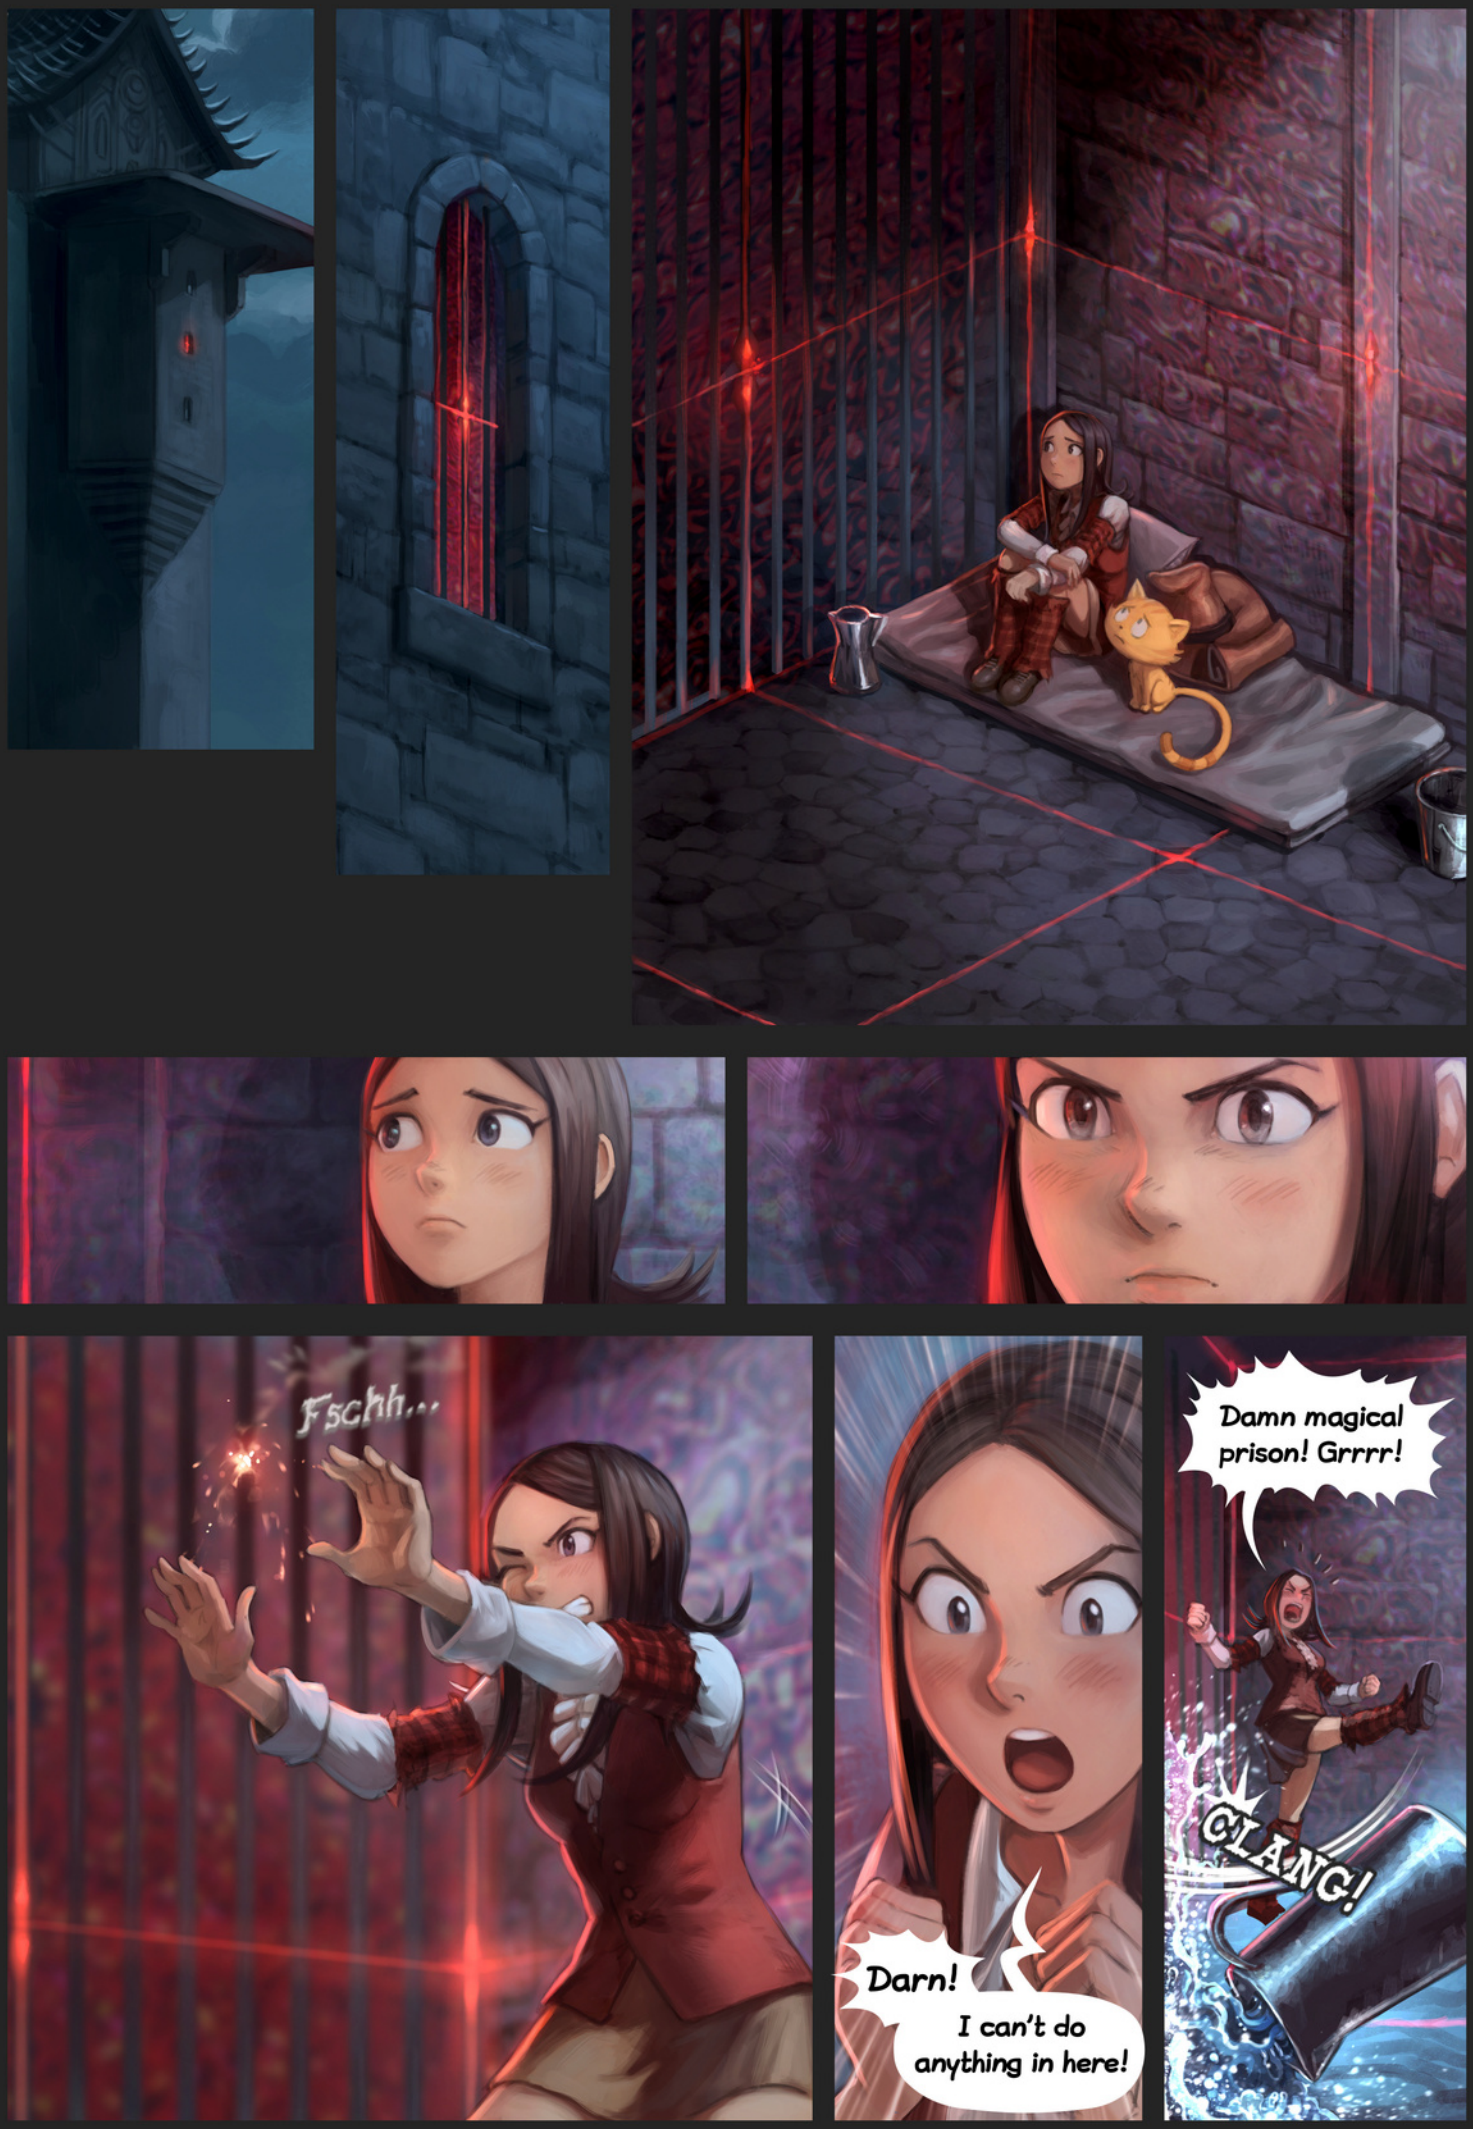
Pepper & Carrot

Episode 36: The Surprise Attack

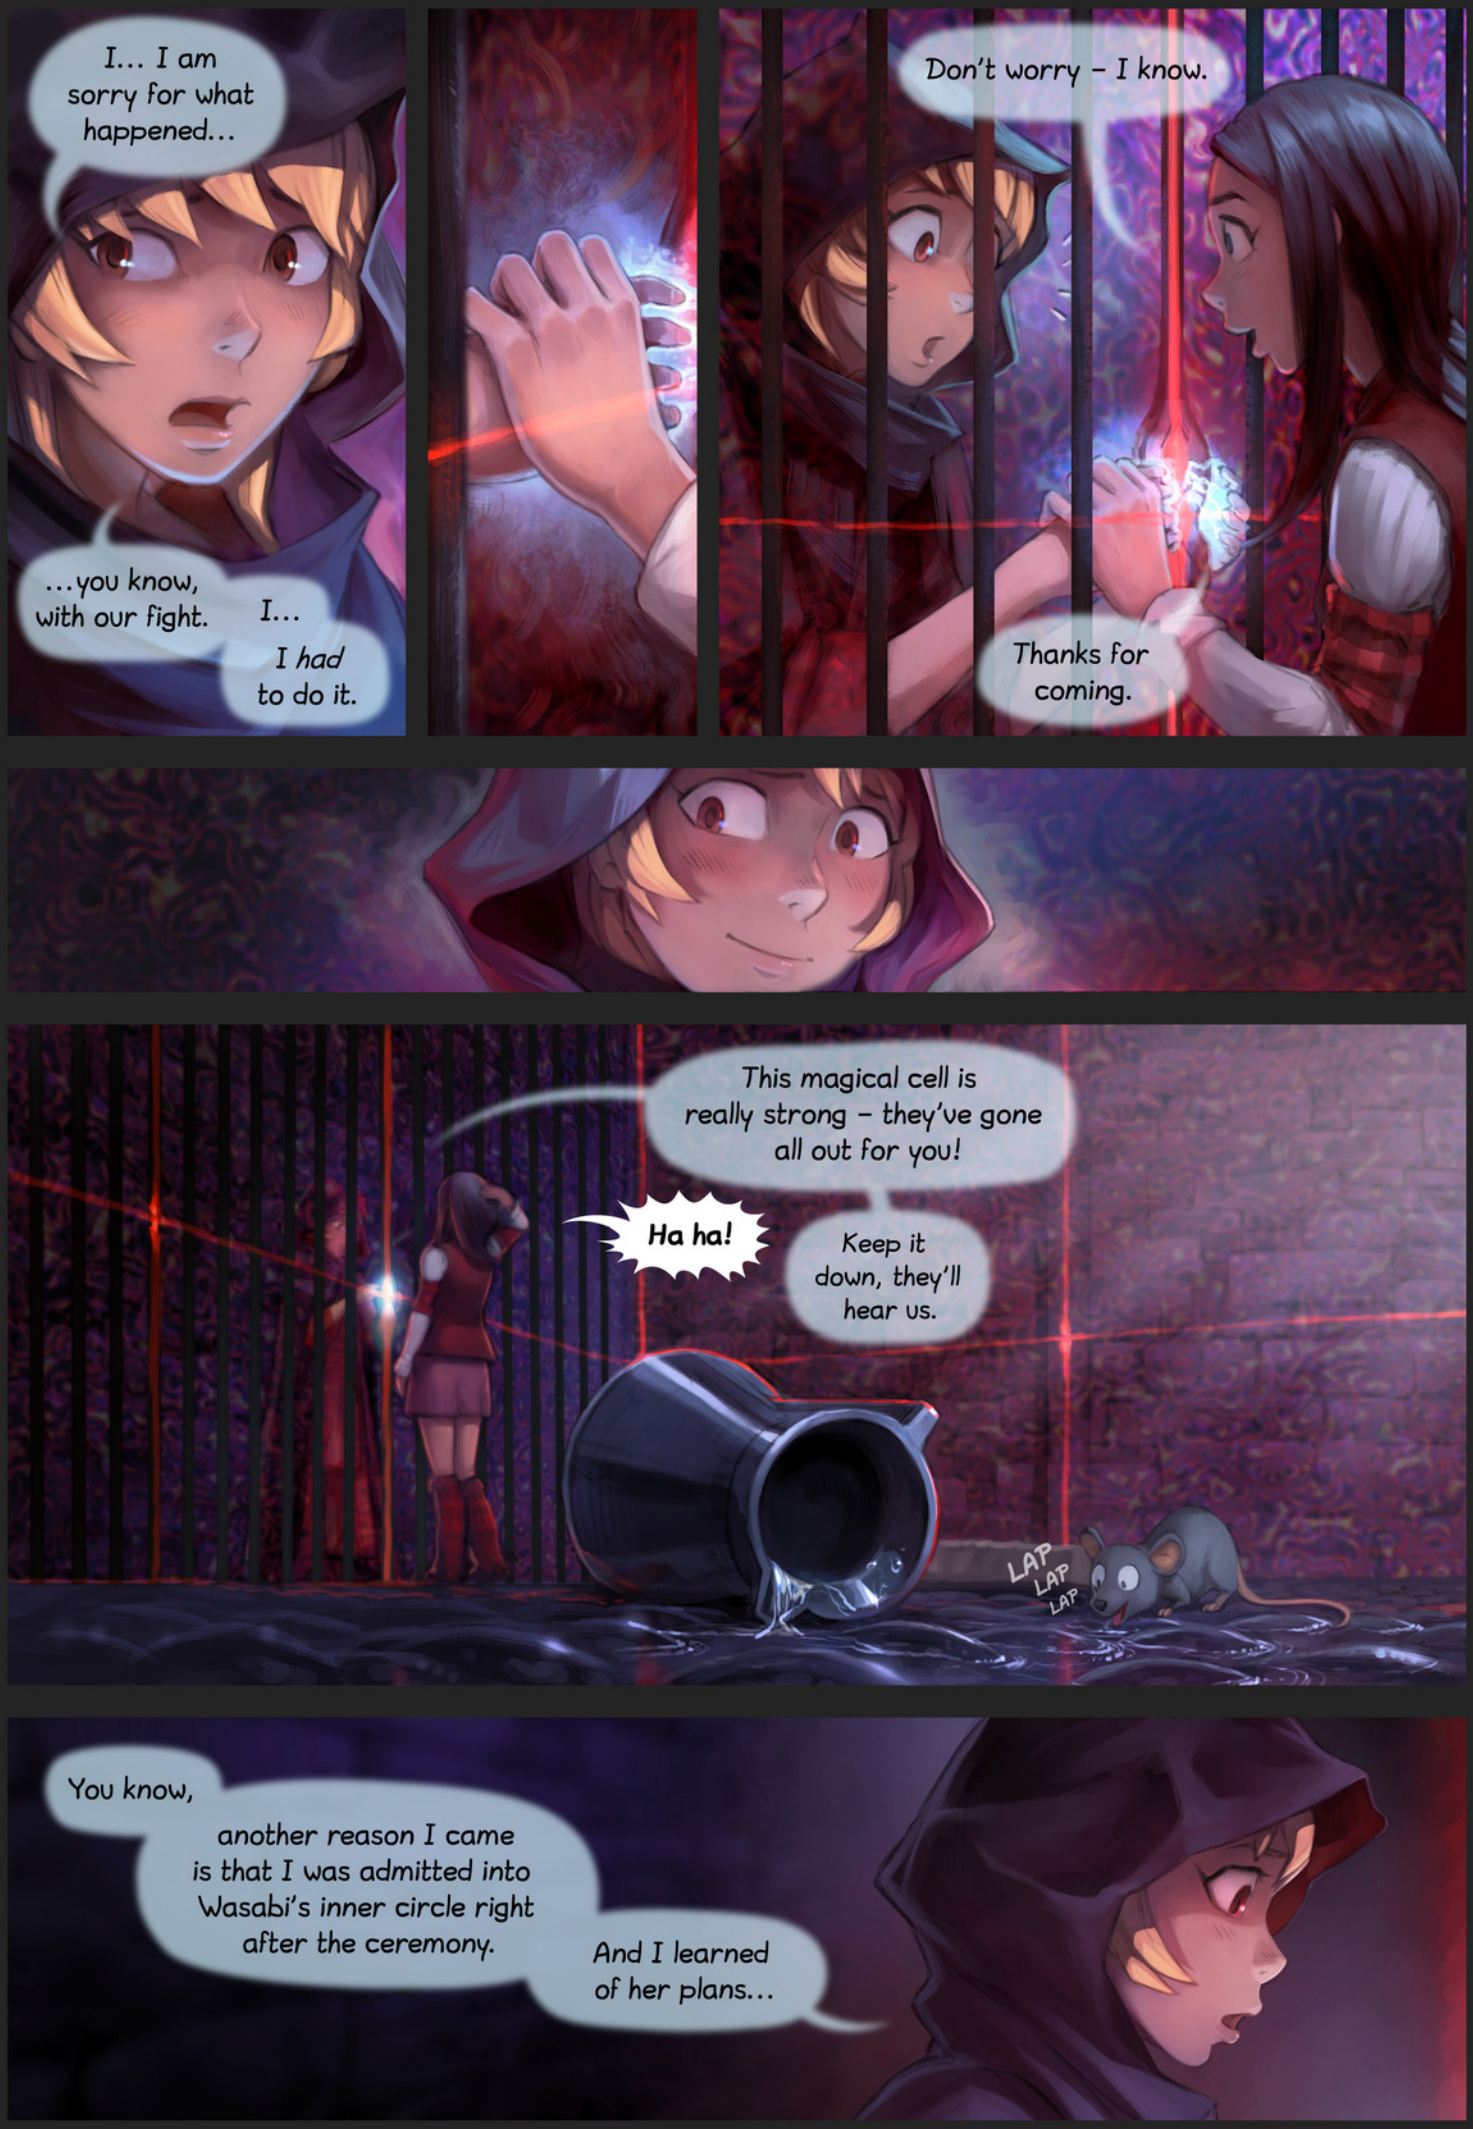
AN APOLOGY?
You can't be serious!

THROW THIS FOOL IN JAIL!



Fschh...
Darn!
I can't do anything in here!
Damn magical prison! Grrrr!
CLANG!

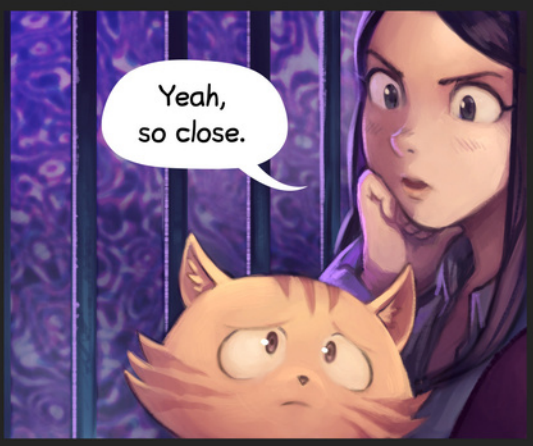
How could I be **so naive**!
Shhhhh, Pepper!
Keep it down.
Who's there?!
Shhhhh! Quiet already!
Over here.
I'm here to get you out.
Kshiii...
Shichimi?



I... I am sorry for what happened...
...you know, with our fight.
I...
I had to do it.
Don't worry – I know.
Thanks for coming.
This magical cell is really strong – they've gone all out for you!
Ha ha!
Keep it down, they'll hear us.
LAP LAP LAP
You know,
another reason I came is that I was admitted into Wasabi's inner circle right after the ceremony.
And I learned of her plans...

It's awful, Pepper.
Wasabi wants to **dominate all other schools of magic,** pure and simple...
She will leave at dawn with an army of witches for Qualicity...
Oh, no! **Coriander!** And her kingdom!
And Zombiah magic!
We must warn her at once!
A pilot and dragon await us on the platform, to get us out of here.
That's it, the lock finally gave way!
Ching!
Bravo!
I'll get Carrot and my hat.
squeak!
HSSSS!
squeeee!
CLANG!
CLUNK!
CLANG!
CLANK!
CLANG!
!!!
!!!
GUARD! COME HERE!
AN INTRUDER IS FREEING THE PRISONER!

We were so close...

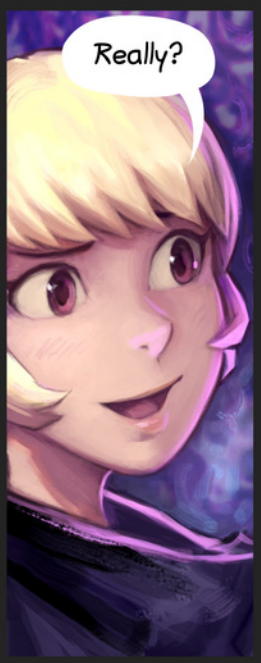


Yeah, so close.

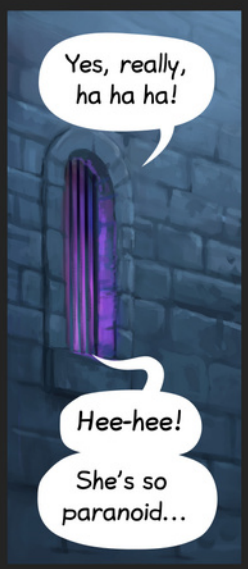
By the way, do you know why Wasabi has it out for me?

She's afraid of the Chaosah witches, Pepper...
Especially of your **chain reactions**.
She believes they are a major threat to her plans.

Oh, that, pfff...
No need for her to fret; I've never managed to set off any of those.



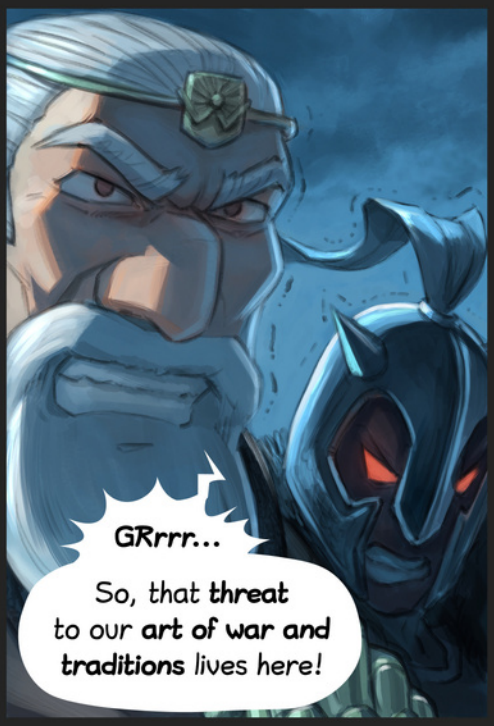
Really?



Yes, really, ha ha ha!
Hee-hee!
She's so paranoid...

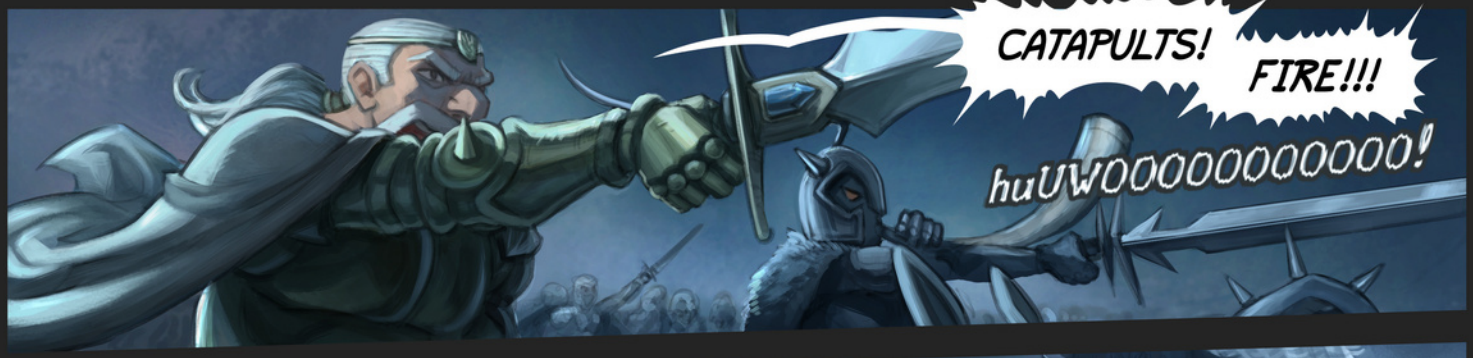
Officer!
Can you confirm that this is the temple of that witch?

Highly likely, my liege!
Several of our spies have spotted her here recently.



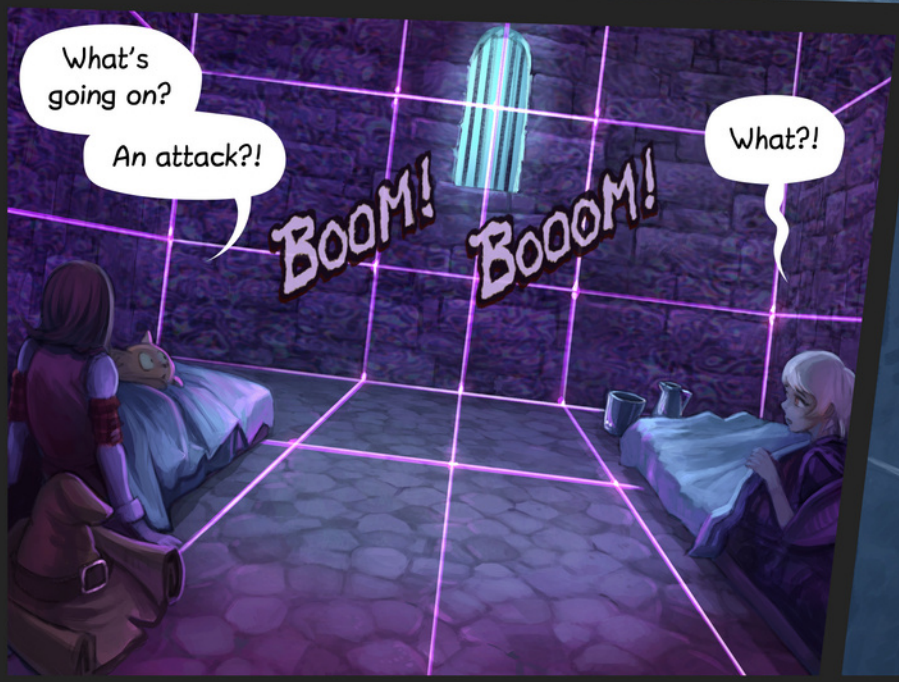
GRrrr...
So, that **threat** to our **art of war and traditions** lives here!

Let us celebrate our alliance by retaliating and razing this temple from the surface of Hereva.
Well said!
Clap
Yeah! Yeah! Yeehaw!
Yarr! Yaaa! Yeah! Yeehaaa!
Hurrah! Yeah! Yee-haw!



CATAPULTS!
FIRE!!!
huUWOOOOOOOOOOO!

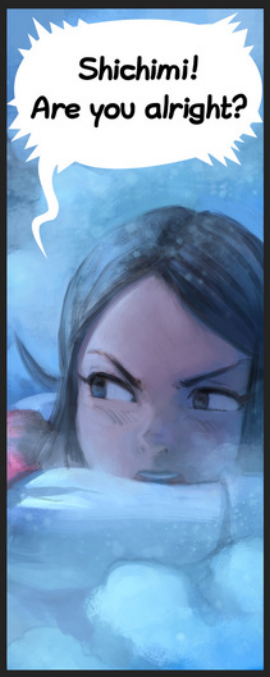
Whooosh!
Whooosh!
ATTAAAAAAACK!!!



What's going on?
An attack?!
BOOM!
BOOOM!
What?!

BOO~OOOM!
BOOM!

cough
cough!!

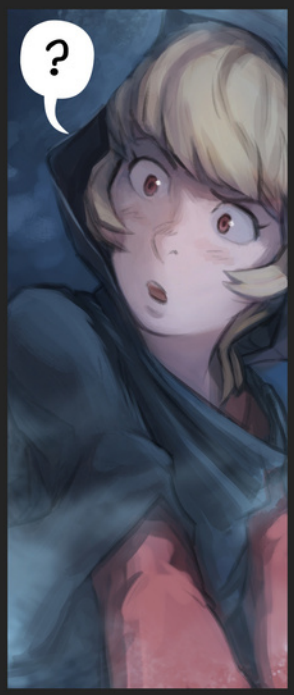


Shichimi! Are you alright?

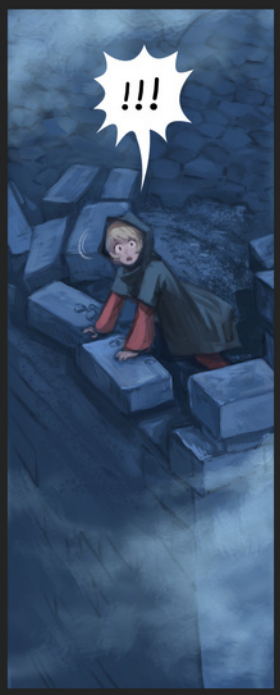
Yes, I'm fine!
What about you?
And Carrot?
We're fine.

What the heck...
I... can't... believe it...
Where did those soldiers come from?!
And with *catapults*?!
What do they want?

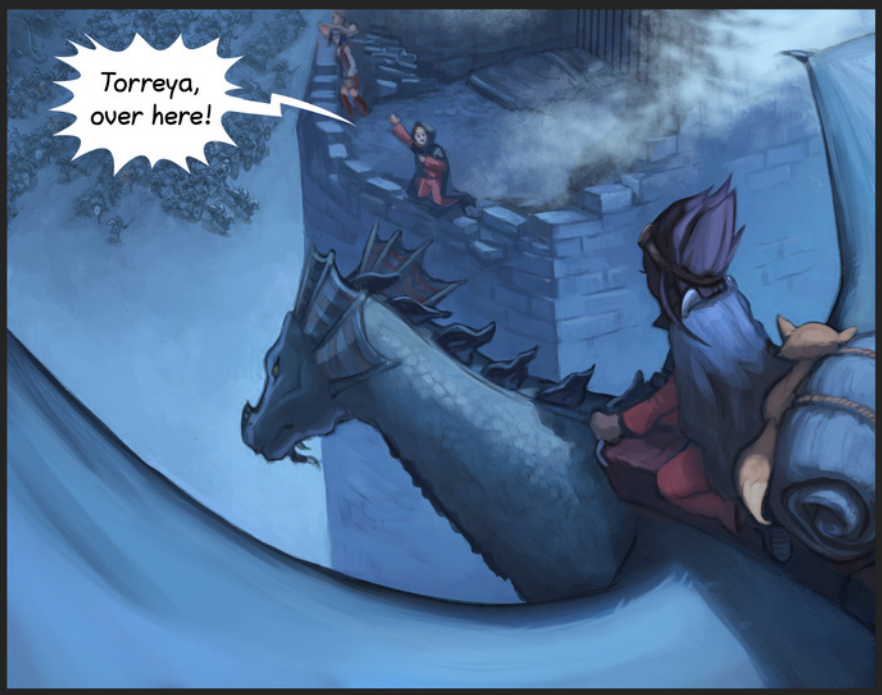
I don't know...
But **those two** I do know.



?



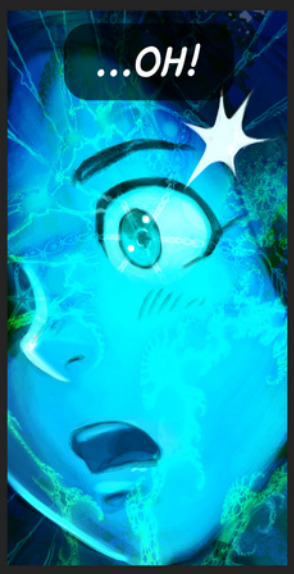
!!!



Torreya, over here!

Shichimi!
Spirits be praised, you are safe and sound.
Grab
I was so worried when I heard that they had imprisoned you!
And this battle!
What chaos!
Torreya, it's so good to see you.

Oh, my...
So this dragon pilot is Shichimi's girlfriend...
I can't imagine what would have happened had I gotten rid of her.
And those armies, they must have followed me.
Without them, we would not be free.
It all seems so connected...



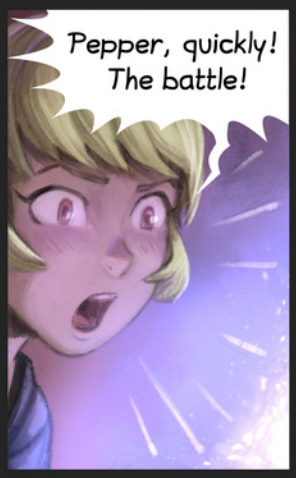
...OH!

What's up with her?
Pepper? Is everything okay?
Yes, I'm fine.
I've just realized something.
Everything that's happened is, directly or indirectly, the result of my actions, my choices...
...in other words, **my chain reaction!**
Really?
You'll have to explain.
Enough chat, we're in the middle of a battlefield.
We can talk about it once we're flying.
Hop on, Pepper!
Torreya is right.
We need to get to Qualicity, no matter what.
Hold on a second.
Wasabi's army is about to counter-attack.
We can't let them kill each other like that.
I feel that it's my responsibility to end this battle.

But how?
Yes, how do you plan to do that, witch?
You haven't recovered much Rea, I can feel it.
You're absolutely right, but there is a spell of mine that could fix everything.
I just need your Rea to be able to reach everyone.
Give energy to a witch?
It's forbidden!
Most certainly not!
Would you rather watch a carnage unfold?
Please, Arra. Make an exception. Those girls and dragons fighting, that's our school, our family.
And yours too.
Yes, please, Arra.
PFF! Fine!
But at her own risk!

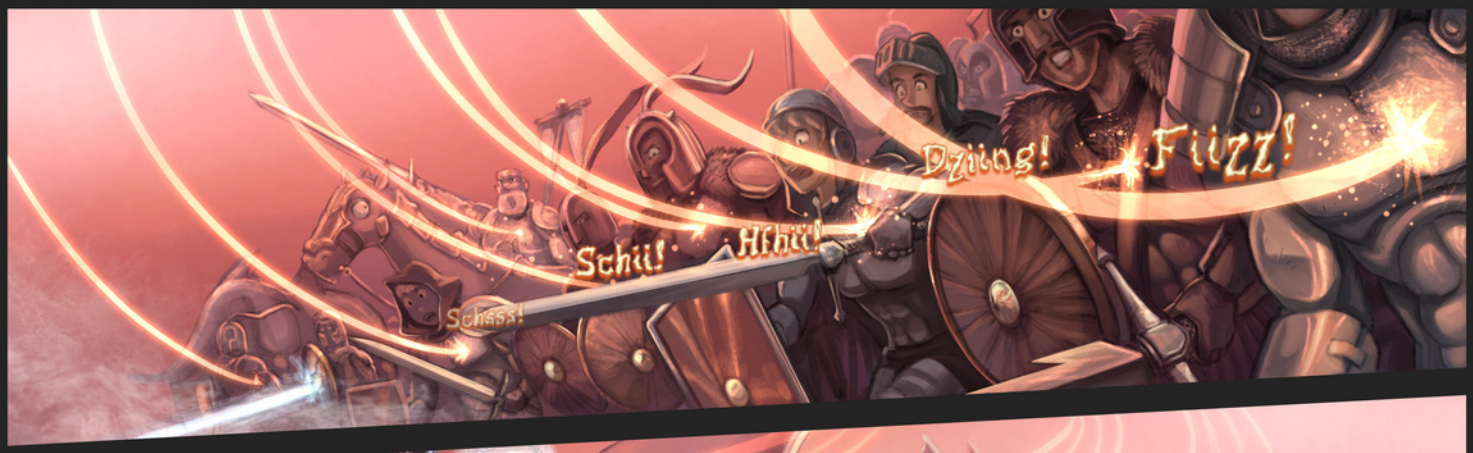
fshhhh!!

WOAAAH!
So that's what a dragon's Rea is like!



Pepper, quickly! The battle!

Allus... !
Yuus... !
Needum... !
Est...
...LOVIUS !
Dzztooo!!

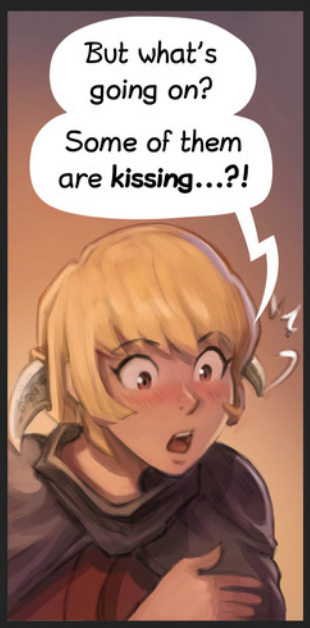


Dziing!
Fiizz!
Schii!
Hfhii!
Schsss!

Fiizz!
Hfheee!
Dziing!
Schii!
Schsss!

This spell was the first draft of my anti-war spells.
It converts mortal foes into friends...
...and violence into love and compassion.

Wow!
Well... that's terrific, Pepper!
They've stopped fighting!
It's working!



But what's going on?
Some of them are **kissing...?!**

Uh... That's a lot of new couples!
Was that meant to happen, Pepper?

Oh, no! I think it was the Dragon's Rea that amplified the love in my spell.

Haha, this battle will go straight into the history books.
Hee-hee, definitely!
Ooohhh, how embarrassing!
